

BEALS ELEMENTARY

Home of the Bobcats

November 2020

Mrs. Nicole Lanum, Principal

Upcoming Dates:

- 3rd & 4th: No School
- 18th & 20th: Progress Reports Go Home
- 25th-27th: Thanksgiving Break
- December 9th & 11th: 2nd Quarter Report Cards Go Home
- December 14th-January 4th: Winter Break, No School
- January 5th: School Resumes

Bundle Up: We do continue to go outside for recess as long as the feels like temperature is above 20 degrees. Please make sure you are sending your child dressed appropriately for the weather...winter coat, gloves, hat! Unfortunately the office does not have items to loan out to students.

Thank You to Our PTO:

Thank you for providing teachers and staff with breakfast and lunch during Parent-Teacher Conferences. We appreciate your support! If you would like to help with PTO activities throughout the year, please send an email to bealspto@gmail.com

At Home Learning Days: Please remember that days your child is not at school, they are still expected to join the online Morning Meeting from 8: 50-9:10, and complete the Learning Agenda videos and activities. If your child is not present for this meeting and we don't hear from you, they are considered absent for an entire day. Learning Agendas can be found on each child's classroom TEAMS page. Contact your child's teacher if you have any questions.

All OPS Students will receive FREE breakfast and lunch for the remainder of the school year!

General Reminders for Our Family 3/2 Plan:

- Your child must wear a facial covering all day. Please make sure they have a facial covering when you drop them off in the morning.
- Your child must bring a fully charged iPad to school every day. Please have them leave the charging block and cord at home.
- If your child loses or damages the charging block and/or cord, a new one must be purchased through the school. At this time, the cost to replace each is \$20. Please contact Mrs. Lanum if this happens.
- If you have questions about which days your child is to report to school, or which days they are doing at-home learning online, don't hesitate to call the office or email your child's teacher. We are happy to explain the calendar and color-groupings to you.
